## Artist of the Month – Anita Baedke Plucker

**Wednesday, July 9 from 4-6pm — Meet and Greet the Artist Open House**  
Free to the public. Refreshments will be served

“COME TO MY WINDOW” by Anita Plucker This exhibit offers insight as to what matters to me.....what is important to me.....and what inspires me to create my watercolor paintings and colored pencil drawings. Nature is at the top of the list. I especially love being out on the water in my kayak. With camera in hand, I am able to capture scenes of nature up close. For the last five years, these outings have led me to create a body of work focusing on the designs, the patterns and textures created as

nature and man play with the surface of the water and the land.
