ARTIST OF THE MONTH James Petersen

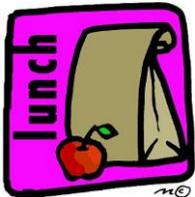

**A Meet & Greet Artist Reception will be held on Thurs., July 9 • 4:30-6pm
Open to the public. Refreshments will be provided.**

James Petersen has always been an artist at heart. He entered his first art show in third grade and has been creating ever since. Whether composing music, shaping landscapes, or life drawing, he uses his creativity to capture a glimpse of beauty. His recent work uses the diffusion of color to capture the themes of both nature and the universe in abstract forms. His artistic expression is consistent with and complimentary to his full time work as a pastor. It involves seeing potential where no one else does and engaging a creative process of transformation.
