## Artist of the Month Tammy Hoppe

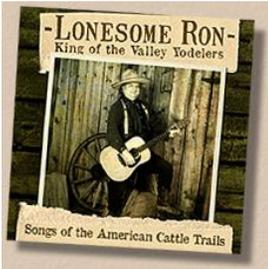

*Meet & Greet Artist Reception October 11- 2:00-3:30*

Visual arts and art education are two very important parts of Tammy's life. Creating artworks—painting, stitching, writing, or whatever it may be—is a big part of everything that fulfills her calling in life. She favors acrylic and watercolor painting, warm glass techniques, and clay ceramics and sculpture. When she is not writing curriculum, creating art, or taking classes, Tammy enjoys nature, bicycling, and camping with her family.

Tammy began teaching in 1993 after earning her bachelor's degree in K – 6 visual arts education, 7 – 12 visual arts education, 7 – 12 English language arts, and fitness and nutrition. She has taught art to junior high students for four years, K – 12 for eleven years, and K – 6 for five years, along with exploring her own creative side.
