Artist Of the Month
Cherie Courter
Sept. 1st - 29th

Red Rock Center for the Arts in Fairmont is pleased to announce "Ode To Summer" a visual arts display by Cherie Courter. Cherie, an Iowa native has been active in the art world as a painter and art educator. This exhibit represents her investigation of the people and landscape of the Midwest. She states, "This series depicts the human form in a variety of circumstances and environments. At times, the works are simply an investigation of groupings and placement, or the effects of light and location on the human form. Some subjects, however, require a more intimate portrayal, the depiction of individual essence or relationships, achieved by direct frontal views and closer vantage points."

A graduate of Buena Vista University for both undergraduate and graduate degrees, Ms. Courter is recently retired after twenty-nine years as an art educator. She now devotes her time entirely to the further development of her acrylic paintings. Her past works have won numerous honors and have been shown throughout the Midwest. Many of Ms. Courter's paintings are also in public and private collections in Iowa and neighboring states.

Come and see the Cherie's big, bright and colorful works of art. The gallery is open to the public free of charge Tuesday - Friday 10am-3pm and Thursday's until 5pm. Evenings and weekends by appointment.

Friday, Sept. 30th · 7pm Swedish Singer Songwriter Sophia Talvik

Growing up in Sweden her music has always had a special tint of her Scandinavian heritage, making her a favorite among music lovers, but her 16 month, and 37 state long tour, through the USA (in an RV) has moved her music closer to the Americana tradition.

From the life lessons she learned she formed stories in song that reflected her emotions, which ran the gamut from funny to heartbreakingly beautiful melodies and lyrics that have made audiences from coast to coast sit up and take notice of this strikingly beautiful artist and her equally haunting and evocative music. When set to Sofia's gentle, melodic acoustic guitar and unobtrusive back up of cellos, double bass and soft percussion, folk music takes on a new and delightful twist.
