Artist of the Month Karen Verburg December 1st - 29th

Karen Verburg is a retired elementary educator living in rural Mankato. She volunteers mornings as a teacher's assistant. She started exploring watercolors after her three children were grown.

Karen describes herself as creative and enjoys working with watercolors, photography, landscaping, and quilting. She likes watercolors because of the spontaneity and the excitement of waiting to see what the paints do on paper. Because of her love and appreciation for nature, landscapes and flowers are often subjects for her watercolor paintings.

She has displayed her work at the North Mankato Taylor Library, and at SDSU in Brookings SD. Three of her pieces were selected for the Prairie Lakes Regional Juried Exhibition.
