## Joni Finnegan

I am a native Minnesotan and fulltime artist with a lifelong passion for art and a love of nature. I journeyed through the years of raising my family and owning a galley/frame shop expanding my creativity and using my art in serendipitous ways. Though my artistic path has included multiple mediums and techniques, I feel that my best artistic expression comes alive with paints and brushes.

My art is inspired by the natural world and love of family. The medium may be oils, watercolors, sketching, or even cooking which all celebrate the colors and harmony of nature. My art reveals the softer side of our world. I am interested in capturing the wonder of that fleeting moment -the quality of light as it defines the subject, whether it be a landscape, still life, or portrait.

Stop in and see her collection of paintings.  
The gallery is open Tuesday & Thursday 10am-5:30pm, Wednesday & Friday 10am-3pm.
