Tuesday, November 12 - Noon Lunch with Arts

The 3 CDs have been singing together and loving it for 10 years. "CDs" stand for "Choir Directors" as each of them has been a choir director. Julie Quamme is from Rake, IA., and directed the choirs at Zion Lutheran for many years. Audrey Kiihn is from Bricelyn, MN, and also directed her church choir at Bricelyn Lutheran. Linda Hill is from Kiester, MN, and taught music for 33 years. They have all now retired from that phase of their lives and have entered the next journey of sharing their love of music. They LOVE to sing together.

Bring a sack lunch if desired. Light refreshments and coffee will be available.

Free admission, everyone welcome.

Wild Ponies Concert

Saturday, November 16 - 7pm

Enjoy an evening of folk, rock & roll and country with that old-style back porch feel featuring Doug and Telisha Williams. Although they are based in Nashville, Wild Ponies have always looked to Southwest Virginia — where bandmates Doug and Telisha Williams were both born and raised — for inspiration. There, in mountain towns like Galax, old-time American music continues to thrive, supported by a community of fiddlers, flat-pickers, and fans all around.

Advanced tickets are \$12 and available at Hy-Vee in Fairmont, Red Rock Center or the online box office at www.redrockcenter.org. Admission is \$15 at the door.
