

Martin County Preservation Association

operating the Red Rock Center for the Arts and Chubb House

*Preserving the Past
Protecting the Future*

FROM THE DIRECTOR

It is that time of the year when I reflect on the past year, as well as prepare for the start of our next season. Red Rock Center continues to be an outlet for local talent and artistic expression; it is an important part of what we do. We look forward to featuring a wide variety of entertainment by local and Minnesota based artists in our upcoming season.

There are many talented visual artists in this area and we are delighted that many of them are featured at the Red Rock Center. The next time you walk into the Red Rock, or are driving by, please stop and take a moment to see the eye catching paintings or colorful photography on display. A new artist is featured each month.

Do you remember painting as a child, or a time when life was not so busy? Attend one of our art education classes and bring those memories to life. Let your imagine soar in a fun environment.

Soon the new railings will be installed on the new steps in the front of the building, and the project will be complete. I am so grateful to those who supported us, and contributed to the Step Up Campaign this past Fall. It is because of tax deductible contributions that we can make Red Rock a beautiful building for all to enjoy.

I look forward to seeing you during our upcoming season.

Sonja Fortune

Art Education Class

Fairmont Area Choir

Galaxy Dance Band

Art Workshop

Trio from East Chain

Upcoming events at the Red Rock

2nd Tuesday of the Month

Noon Lunch with the Arts program

FROM THE BOARD CHAIR

The MCPA is very pleased with the ongoing outreach for enhancing the arts at the Red Rock Center for the Arts. At the same time we continue to find less frequent, yet none the less quality, functions at the Chubb House. The setting of the oldest standing home in Martin County, under the care of so many dedicated individuals, adds to the charm of functions held there. The annual spring tea which was again so eloquently and tastefully provided was attended and enjoyed by many. Watch for announcements of future teas and the annual pioneer stew supper coming up this fall.
