GREETINGS FROM THE DIRECTOR

MCPA wants to take this opportunity to thank you for your generous support over the past year. It's been an amazing year filled with a variety of performances, visual arts and educational opportunities.

Plans for our upcoming season are well under way. Keep your eye on the local newspapers and visit our website as events begin to unfold. We look forward to seeing you in the upcoming year, and sharing the opportunities with others.

We ask that you renew your membership and share the opportunity with others. Your membership dollars help support the day to day operating expenses. This is so important as we continue providing high-quality art education for children and adults, organize monthly art exhibitions, and make gallery space available for our talented regional artists.

Sincerely,
Sonja Fortune
